

“I want people to feel what I am doing
- not just see what I am painting.”

Asencio's celebrity collectors include George Clooney, Brad Pitt, Glenn Close, Viola Davis, Martin Scorsese, Woody Allen, Ice T and Coco, Anne Heche, Barry Bonds and Billy Crystal.

He was the first artist ever to receive gold and silver medals in the prestigious International Amsterdam Art Competition.

He has been named as 'Today's Top Artist' by the USA association of Art Business News Major Shows for an astonishing four years in a row.

His New York exhibitions have sold out for eight consecutive years.

“My work is about the
transformation of energy into
stillness, of dissonance into
harmony, of life into art.”
