REFLEXIONES INTIMAS

Fabian's new collection of canvas editions presents stories of some of his most beautiful muses painted in both familiar and new settings, including a lavishly appointed bedroom at the Ritz. Each character shares that sense of stillness which Fabian captures so perfectly as he invites us to witness each moment of intimate reflection.

You are invited to come and
meet world-renowned figurative master

FABIAN PEREZ

as we celebrate the opening of his new UK exhibition on

SATURDAY 2ND
JULY 2:30-4:30PM

Fabian will be joining us and some specially invited guests to unveil a previously unseen collection of original paintings and canvas editions. This exclusive event will offer a rare opportunity to invest in one of the most highly sought after artists at work today.

We hope you are able to join us.
